

HELP!!

OUR PILLARS
ARE
ROTTING!!

THE PROBLEM

The wooden pillars on the front of our church building are rotting, and need to be replaced.

THE SOLUTION

The Building and Grounds Committee has found a solution to the problem. Pillars constructed from a non-wood alternative have been ordered. They cost \$50,000. Although this expenditure could be covered by our Capital Reserve Fund, it would reduce the fund by more than 50%.

THE CHALLENGE

Member, Martha Schroeder has offered to match all donations to the Pillar Replacement Fund up to \$25,000. She is challenging the rest of us to raise \$25,000. This is an extremely generous offer and we thank her for it!

HOW YOU CAN HELP

You can help meet the Pillar Fund Challenge by placing a check in the box in Channing Hall or by completing this commitment form:

I/we want to meet the challenge and support the Pillar Replacement Fund at the following level:

\$5,000 \$2,500 \$1000 \$500 \$250
 \$100 Other

We have until February 2, 2020 to meet the challenge. All contributions will be acknowledged on a plaque that will be placed in the Sanctuary Vestibule.

Name (as you wish it to appear on the plaque):
