

RFP

Amount requested \$52,000

Purpose: a better running fuusa by restoring cut staff salaries

My idea supports the vision of FUUSA because respecting the people who keep our organization running is pretty of human dignity. I'm pretty sure we lost Izzy the janitor because of low pay. The plan was to restore salaries as soon as possible, and this makes that possible. In fact, a one time gift for time served in reduced salary might even be in order.
