

What you can do.

NEW YORK'S CLIMATE LEADERSHIP and COMMUNITY PROTECTION ACT

CLCPA : Implementation

- fully fund CLCPA with \$15 billion in the 2022 budget
- 40% to disadvantaged communities,
- end fossil fuel subsidies
- avoid "false solutions" like waste-to-energy.

Contact Stephan Edel, NYRenews, stephan@NYRenews.org

Future

All Electric Building Act

Denies permits for buildings after December 31, 2023 that are not for **all-electric**, unless all-electric is not feasible. ([A8431, Gallagher](#); [S6843, Kavanagh](#))

Contact Jessica Azulay, Renewable Heat Now, jessica@allianceforagreen economy.org

Clean Futures Act

No new fossil fuel power plants ([A6761](#), Mamdani; [S5939](#), Ramos)

Contact Laura Shindell, Food and Water Watch, Ishindell@fwwatch.org

Stop Cryptocurrency Mining!!

Three-year moratorium on a type of cryptocurrency mining that uses an exorbitant amount of energy. ([A7389](#), [Kelles](#); [S6486](#), [Parker](#))

Contact Elizabeth Moran, Earthjustice, emoran@earthjustice.org

Fossil Fuel Subsidy Elimination Act

Repeals over \$330 million in tax exemptions provided by New York State to the fossil fuel industry. ([A8483, Cahill](#); [S7438, Krueger](#))

Contact Marisa Guerrero, NRDC/End Fossil Fuel Subsidies Coalition, mguerrero@nrdc.org

Renewable Capitol Act

Mandates that several state facilities in downtown Albany, including the State Capitol and Empire State Plaza, be **powered by renewable energy**, addressing state climate goals and pollution in the nearby environmental justice community. (A9341, McDonald; S8221, Breslin)

Contact Merton Simpson, SHARE, robcor295@cs.com

**"A voting machine that can
change my ballot? Why aren't
they doing something?!"**

PASS A1115A/S309A

A NY bill to ban voting machines that can change your ballot.

Let's get this done!

- VOTING MACHINES THAT SECURITY EXPERTS SAY ARE "BAD" ARE SEEKING CERTIFICATION IN NY.
- SECURITY EXPERTS SAY THESE VOTING MACHINES POSE "EXTRAORDINARY RISKS" FOR VOTERS.
- THE NY LEGISLATIVE SESSION IS ALMOST OVER. TIME IS RUNNING OUT TO TAKE ACTION ON THIS.

More Info at:

SMARTelections.us

**Stuck in committee! Write to the committee chair
Zellnor Myrie
and demand this bill get a vote in the NY State Senate.**

Cumulative Impacts Act

Mandates that environmental impact statements address effects on environmental justice communities, and that environmental impact statements for power plants demonstrate alignment with the CLCPA. (A2103, Pretlow; S1031b, Stewart-Cousins)

Climate and Community Investment Act

Creates a new authority funded by a polluter penalty fee paid by corporate polluters to fund:

1. large scale investments like offshore wind, electric buses, and public housing energy upgrades;
 2. grants to community organizations to create local climate, adaptation, and resiliency projects, particularly in frontline communities;
 3. support for fossil fuel dependent workers and communities; and 4) rebates for working New Yorkers and small businesses to defray increased energy costs.
- (A6967, Cahill; S4264, Parker)

Contact Stephan Edel, NYRenews, stephan@NYRenews.org

Energy Efficiency, Equity and Jobs

Requires that Public Service Commission programs provide job training funds to priority populations, including low-income individuals and people with disabilities, and sets targets for hiring members of priority populations. (A3996, Parker; S3126, Hunter)

Contact Sonal Jessel, We ACT, sonal@weact.org

New York Build Public Renewables Act

Enables the New York Power Authority (NYPA) to build affordable renewable energy to meet our climate targets and to retrofit public buildings with weatherization measures, electric heat pumps, and toxic remediation by 2030. This will create between 28,000 and 51,000 jobs, with NYPA requiring prevailing wage on all projects. ([A1466, Carroll](#); [S6453, Parker](#))

Contact Patrick Robbins, Energy Democracy Alliance, patrickopticon@gmail.com

Teachers' Fossil Fuel Divestment Act

Requires the New York State Teachers' Retirement System to divest from fossil fuel holdings. ([A6331, Kelles](#); [S4783, Brisport](#))

Contact Ruth Foster, Divest NY, rmfosterny@gmail.com

Green New Deal for New York Act

Taxes the rich to raise over \$10 billion a year to fund a variety of programs, including energy efficiency, social housing, mass transit, renewable energy, and electric vehicles.

Dear Senator Zellnor Myrie, Chairman of the Committee on Elections,

I am writing to express support for NY State Senate bill **S309A**. Voting machines must be reliable and secure. Security experts have determined that the **Dominion ICE machines are not secure**. Please move this bill to vote as soon as possible to avoid the possibility of tampering in this year's elections!

sincerely,

Dear Senator Zellnor Myrie, Chairman of the Committee on Elections,

I am writing to express support for NY State Senate bill **S309A**. Voting machines must be reliable and secure. Security experts have determined that the **Dominion ICE machines are not secure**. Dear Speaker Heastie,

I am writing to express my support for the **All Electric Building Act** (A8431, Gallagher; S6843, Kavanagh). The buildings sector was responsible for 32% of all greenhouse gas emissions from New York state in 2019. We need to lead the nation in combatting climate change. Please bring this bill to a vote with your full support!

Thank you for all you do,

Dear Leader Stewart-Cousins,

I am writing to express my support for the **Clean Futures Act** (Senate Bill S5939A). We need to end our dependence on fossil fuels now! New York can lead the country in climate action by prohibiting construction of any new electrical power generating facility that is powered by fossil fuels. Please bring S5939A to a vote with your full support.
