Service Opportunity Name/Title: Sunday Morning Greeter

Service Opportunity Brief Description:

Each Sunday morning, two greeters engage guests, members, and friends, welcoming them to our service.

Service Opportunity Detailed Description:

Starting at 9:30 AM on a Sunday, greeters engage guests, members, and friends, and make them welcome. When you encounter first-time guests (you will know them because they will stop short upon entering, not knowing where to go!) you introduce yourself, walk them over to the Welcomer at the Welcome Table, and introduce them. The Welcomer* will take over from there.

*The Welcomer's job is as follows: for first timers, orient them, take some information, provide them with a name tag and direct them to Community Hall; for repeat guests, welcome them back and help them find their nametags.

Length of Service Commitment: One half hour

This opportunity will enable you to help all who walk in on a Sunday morning - guests, members, and friends - feel welcome and valued in our community. Greeting people coming to our service, you will feel satisfaction in providing a service that is appreciated by others; and you will meet new people through the simple act of hospitality.
