

## Do Your Part to Keep Our Beacon Bright!

*Seven days a week, UUs live their faith by doing. Whether in community with others or as an individual, we know that active, tangible expressions of love, justice, and peace make a difference. Embracing peace and love, that goes beyond individual belief systems, we are creators of positive change in people and in the world.*

**As you decide on the amount of your pledge, consider what Albany UU means to you.** Select the support level that best fits your level of commitment and make your pledge. Our Albany UU Giving Guide recognizes four levels of giving – Supporter, Sustainer, Visionary, and “10-Percenter”. In keeping with our democratic principles, donors with higher incomes are expected to give a greater percentage.

By following the guide, all of us have the opportunity to be Visionaries, regardless of income.

**Determining Your Income** Each of us has to determine what “adjusted annual income” means. One suggestion would be to subtract temporary extra expenditures such as major medical bills or college expenses from your gross income to compute “adjusted annual income”.

**How to Pledge** Pick up your pledge packet, fill out the form and drop it in the box in Channing on Sunday morning, or mail it in. On-line pledging for members and friends is available at [members.albanyuu.org](http://members.albanyuu.org).

**Thank you for your generosity!**
