

# Developing White Racial Literacy

Led by Rev. Sam Trumbore

First Unitarian Universalist Society of Albany

7pm Tuesday, September 19, 26, October 3, 10

Anti-racism trainer Dr. Robin DiAngelo (<https://robindiangelo.com/>) presented three inspiring workshops at Unitarian Universalist Association General Assembly in New Orleans this past June. They were so good and so educational that Rev. Trumbore decided to shape them into a class. He will play recorded selections from each of these workshops with breaks for group discussion and personal response and reflection. The last class will draw material from another excellent workshop that described eight things we can do as individuals and as a congregation to deconstruct white supremacy. Come to any or all!
