

Union Thanksgiving Service

7:30 pm, Tuesday, November 26

**Featured Speaker:
Kathy Sheehan**

in Emerson Community Hall
at First Unitarian Universalist Society
405 Washington Avenue, Albany, NY 12206

Please join us for this annual Thanksgiving service held jointly by Congregation Beth Emeth, Trinity United Methodist Church, Westminster Presbyterian Church and the First Unitarian Universalist Society of Albany.

Each year these four congregations gather for a joint Thanksgiving service. Trinity, Westminster and FUSA (only one U in those days) all had fires that burned our buildings at different times at the beginning of the 20th century. While they were being repaired, we all worshiped at Congregation Beth Emeth's building. When our buildings were rebuilt, we began the tradition of having this joint service.

Kathy Sheehan will be the guest speaker.

One custom we have for this service is to bring non-perishable canned and dry goods that can be used by FOCUS Food Pantry as our joint Thanksgiving offering. Donations to the pantry will also be accepted.
