Please insert your answers into this Word document or provide answers on separate paper.
Limit your responses to a half page or less for each question or set of questions.

1. What does being a Pastoral Care Associate mean to you? How did you react upon hearing about this program? How would this commitment fit/integrate with others in your life?
2. What is your expectation of what you will gain from this program?
3. What experience, strength and skills do you have in working with people?
4. How does Unitarian Universalism inform your desire to minister to others?
5. How would your Unitarian Universalist beliefs guide your work as a pastoral care associate? How will you minister to people whose beliefs or lifestyles are different from own?

Please submit your completed application and a list of three people who are willing to serve as reference for your candidacy. Include at least one person from our congregation.
